

Students Academic Year 2020-2021

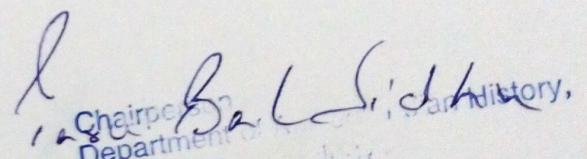

Student Feedback:

On the basis of online students suggestion for the session 2020-2021, an analysis was made. Various points of consideration came up:

1. Because of the prevailing Covid-situation most students were facing connectivity issued as the classes had commenced through online mode.
2. Students also asked more teaching material to be provided online.

Action Taking Report

On the issue of the connectivity problem faced by the many students emphasis was made where individual attention was given to those students who were residing in area where internet connectivity was minimal. For those students on call interaction was made by the teachers to clear their doubts. All teachers took extra measures to provide PDF's of important course books as well as provided all other necessary material online.
